This request was voted against. The PPG can submit this request in approx. 3 months. It would be advisable to have a petition to support this.</p> <p>The Patient Questionnaire has been designed and is to be given to patients to complete. The uptake of the questionnaire has been low. Andrew Bailey analysed the ones which were submitted and gave the group members spreadsheets with the data collected. The scores showed a high level of satisfaction. This has been very helpful as some ambiguities in some questions were identified, viz, Q2,Q5 and final question. The questionnaire will be altered accordingly. It was decided that it would be better to use the questionnaire at the October Flu Clinic</p>	<p>Jill to look at setting up petition</p>

8	<p>Members Issues: Jean Lally read out some issues she wished to raise about the future of the NHS. She expressed fears that there could be an agenda to privatise the NHS. Dr Douglas addressed her concerns.</p> <p>Lucy Padkin , Practice Manager at Sett Close Surgery in New Mills would like Sett Valley and the PPG to help raise awareness and make New Mills a 'Dementia Friendly, town. The Chair and 2 other members from the Group will meet with Lucy Padkin.</p> <p>The Group were asked about their views of the draft Constitution which Brian had kindly written.
